

Dear Friend:

It is election season again and I am pleased to let you know that I will be seeking another term on the Gilroy City Council. I do this to be YOUR voice for fiscal responsibility, balanced budgets, sensible development, and a business-friendly regulatory environment.

Gilroy faces a number of serious challenges in the coming years. The statewide homeless problem continues to impact us and serious solutions must be found which are both compassionate as well as smart. Unfettered vagrancy that threatens public safety and health simply cannot be tolerated.

Growth is another issue we are dealing with on the Council. The voters have spoken on this issue and my job as a member of the Council is to ensure that new growth is consistent with the resources and services the city can provide to support it.

We also face constant demands for tax increases. I have opposed a variety of tax, fee, and water rate increases over the years while striving to cut wasteful spending and maintain a balanced budget.

As a member of the Council, I have worked hard to strengthen our public safety agencies, build our new public library and youth center, purchase Gilroy Gardens, encourage the spectacular success of our world-renowned shopping outlets and reopen the Sunrise Fire Station.

You have supported me generously in the past and I am deeply grateful for that. I am asking for your support again today.

Can I count on you for a contribution of \$100, \$250 or \$500 or \$750 at this time? A remit envelope is enclosed for your convenience.

Please feel free to call me at 408-422-1734 if I can answer any questions you might have.

Warmest regards,

Dion Bracco
